

Miles Elementary Strategic Plan

Miles Elementary School (Mays Cluster)

District Mission & Vision

With a caring culture of trust and collaboration, every student will graduate ready for college and career.
 All high performing schools across the state strive to learn, educate, inspire, and challenge every child to reach their full potential.

Cluster Mission & Vision

The vision of the Mays Cluster is to provide a strategic plan that supports student achievement and growth by using the whole child, while collaborating with all stakeholders to prepare students at the elementary, middle, and high school level for graduation and beyond.
 The vision of the Mays Cluster is to prepare students to become 21st century leaders who are ready to design, create, and beyond.

School Mission & Vision

Mission:
 Miles Elementary will provide a safe, vibrant environment that promotes academic success, socially life long learning and prepares students to become globally competitive citizens.
Vision:
 Miles Elementary will be a nurturing, comprehensive, and high performing school where faculty, staff, parents, and all stakeholders will collaboratively prepare our students to become globally competitive citizens.

Signature Program: International Baccalaureate (IB)

School Priorities

1. Improve student mastery of core content knowledge, particularly in literacy and numeracy.
2. Implement IB Instructional Program
3. Prepare all students to have the critical thinking and self-management skills to make appropriate decisions and to embrace global diversity.

School Strategies

- 1A Develop school grade-level and classroom levels for student mastery.
 - 1B Provide targeted professional development based on student learning data.
 - 1C Implement ADE's structural practice of consistency and systematicity.
 - 1D Develop common formative assessments to measure.
 - 1E Implement targeted intervention strategies to support student growth.
 - 2A Implement IB Standards and Practices.
 - 2B Implement formative assessment through the instructional day.
 - 2C Implement rigorous and real world interdisciplinary projects and units.
 - 2D Integrate technology throughout the curriculum.
 - 3A Implement Social and Emotional Learning (SEL).
 - 3B Encourage a plan to engage the curriculum from start of all students.
- Miles of Excellence/Innovation*
