Approval of Minutes

Tran moves to accept agenda. **Parthasarathy** seconds. **Approved unanimously.**

Reports

III. Action Items

Action Item 1: Approval of Strategic Reporting Framework

Lowe moves to accept the framework. **Thompson** seconds. **Approved unanimously.**

IV. Discussion Items

Discussion Item 1: Review of strategic planning process and key data points related to achievement, school climate and culture

Determine priorities; what resonates with us; what's missing from the document

Priority	What's Missing*
<ul style="list-style-type: none"> ✓ Literacy ✓ Guided Reading ✓ Phonics ✓ Math ✓ Small Group Instruction ✓ IB 	<ul style="list-style-type: none"> • Science piece • Support of gifted delivery model • Culture piece (2 schools in 1) • Community feel; race & equity • More paraprofessional support • Direct interventions working? • Are we spending money wisely on teacher improvement? • Enrichment programs

*** Additional Thoughts:**

Kids should leave here with something.

IEPs-can these documents be a part of the solution? Can all students receive them?

Question(s):

How can we get more input from the people that we represent?

Recommendation(s):

Talk with faculty members and families for input before December's GoTeam meeting. Provide the team with meeting dates by November 7.

Challenge(s):

How do we get people to come? How do we get parents from all areas and groups?

Result(s):

A marketing plan will be developed.

Discussion Item 2: Featured Community Partner

Summerhill Ministries has dedicated people who work with students within the community. They are a great resource. The more of our kids that get involved, the better.

Question(s):

How can we support them since they're already supporting our students?

How can we get more resources for them?

How can we draw more attention to the programs that they offer?

Can the school join in outside of what the PTA is capable of doing?

Idea(s):

Treat them as a PTA sponsor. Gift them a PTA sponsorship for a year.

But, we must first check with APS for the guidelines.

Create an application process to select organizations to support.

***All of this information also needs to be run past Principal Foster.*

V. Information Items

VI. Announcements

- a. Member Hub
 - Need more parent involvement
- b. Parent Center Opening—October 24;
 - This is an ongoing plan
 - Need for more volunteers which would allow the space to be useful
