c. Grant Committee Update

Committee has met once since that last meeting, met with Elizabeth from CREATE. We need a one year onboarding - having interested teachers and principal attend an introductory session. Program includes mentoring between veteran and new teachers. Teachers develop an emotional mindfulness. There are two-hour, two-day opportunities. Elizabeth would need to come to Parkside to present to interested teachers, then teachers need to go to the info session. Teachers get paid to attend. Resident teachers get paid to participate, and the assistant teachers get paid too. It's a three-year process. Principal decides the pace and the nominating process. Next step is to let Elizabeth come present to the staff.
