IV. Discussion Items

A. Budget Priorities

Mr. Ford presented the rough draft for Budget Priorities - These are to support the GOALS of the school.

We have to allocate for staff members who will help us to meet the goals of our school. (ie: Social worker and School counselor to support families)

B. School Goals

These GOALS are to increase math and reading proficiency. (These goals are for a three year period with minor modifications as needed.)

We took a vote on the School GOALS and priorities. Everyone unanimously voted to support these GOALS and priorities and were in agreement to move forward to meet these GOALS.

C. Needs Assessment

We will discuss the needs of Perkerson Elementary as it relates to the Budget.

Discussion of Needs: support staff, access to internet (WiFi) and devices for students, materials for parents to support their children (ie: math materials), resources for interventions

We will finalize some of the details of the budget on Thursday, Jan. 28, 2021.
