Discussion Items**Notes:****A) Team Norms**

A suggestion was made for the norms will be tabled until the next meeting. It was motioned by Mrs. Marrs-Burke and seconded by Mr. Howard. All were in favor.

B) Public Comment Format

- It was suggested by Mr. Legend that the GO-Team add something in to express that we will address comments and concerns as not to ostracize the public.
- The GO-Team Chair will check with the GO-Team office for adding something about public comments. It was motioned by Mrs. Marrs-Burke and seconded by Mr. Howard. All were in favor.

C) KMS Georgia Milestone Data Review

- 773 students total for the 2016 - 2017 school year in grades 6-8.
- About 25% of the total school was in Special Education.
- For the 2018 - 2019 school year, 54% of the students will be in Level 2 (Developing), Level 3 (Proficient), and Level 4 (Distinguished).
- Proficient or Distinguished will be considered passing for the new College and Career Readiness Performance Index (CCRPI) scores, due out in November.
- A school has to grow 45% compared to where they were the year before. The old rule was 35% growth.
- At 45%, the school receives ½ point and at 50% - 1 point for CCRPI.
- The goal is to have students grow in years in order to close gaps.
- Reviewed grade level data that was shared with parents during Curriculum Night.
- Grade level data by content from a public relations stance was suggested by Mr. Legend.
- Grade level data was looked at since it showed growth over the time period that the students had been enrolled at King.
- Students who had been enrolled at King for at least 65% of the school year, would have their data counted for CCRPI.

D) Revisit Strategic Plan

- Principal Brown suggested that the strategic plan should be restructured by Level 3 (Proficient) and Level 4 (Distinguished) and by grade cohort. A motion to accept was made by Mrs. Ridley and it was seconded by Mrs. Marrs-Burke. All were in favor.

- ## Information Items

- Mr. Howard, Ms. Montague, and Ms. CoClough attended the GO-Team Summit on September 30th and learned about the strategic plan.

- Please make sure to check your email for a message from Mr. Howard, and click on the links to complete the required training.
- On November 14th district personnel will talk to staff about the new CCRPI at the faculty meeting at 4:30 pm.
- A retired principal from Gwinnett County Public Schools has been assigned to pair with King. This was done since that county has set the bar within the state for leadership.
