Public Comment Protocol

Requirements

- Opportunities for public comment shall be provided at least four (4) times in a school/fiscal year and noted on the GO Team's webpage and meeting agenda;
- GO Team members will **not** provide responses or engage in direct conversation during public comment;
- Each GO Team will determine a consistent method for receiving public comments and for parents and other citizens to sign up to address the team;
- At least 20 minutes of time will be allotted for the public to make comments at meetings where public comment is permitted; and
- The public will receive at least 2 business days' notice of the Public Comment Protocol.

Public Comment Protocol Tips

- Public Comment Is Not Mandatory at Every Meeting: GO Teams are not required to include a Public Comment period at every meeting, but should be scheduled for meetings involving major action items needing community input.
- <u>Plan and Structure Public Comment Thoughtfully</u>: When included, Public Comment should be scheduled at a specific time (e.g., a 20-minute segment with 2 minutes per speaker) and aligned with the school community's availability to encourage participation.
- Establish a Clear and Transparent Process: Provide clear instructions for how individuals can sign up to speak. During the Public Comment period, GO Team members should listen without responding, using the input to inform decisions.
- Encourage Ongoing Community Engagement: Remind stakeholders that Public Comment during meetings is just one way to share input. Emails to GO Team members and special sessions can also serve as valuable channels for community feedback.

Meeting Calendar

Requirements

- Hold at least six (6) business meetings this school year (this meeting plus at least 6 more);
- At least four (4) of the meetings must permit time for Public Comment;
- Meetings cannot be held during the instructional school day;
- Meetings must be live-streamed and recorded;
 and
- Meeting locations for hybrid meetings must be places which can accommodate the public (i.e. – not a conference room).

Meeting Calendar Considerations

- Hold at least 3 business meetings per semester: This will ensure your GO Team has sufficient time to complete its business
- <u>Fall Semester 2025</u>: Your GO Team will be developing its 2025-2030 Strategic Plan to align with the District's new strategic plan; allow enough time to complete this work

• Budget Meetings:

- Allocation Meeting: Late January
- <u>Draft Feedback Meeting</u>: Early February before February break
- <u>Finalization Meeting</u>: Early March after staffing conferences
- <u>Public Comment</u>: Select at least **four (4)** of meetings that will allow time for public comment.

Stakeholder Engagement Exercise

Why We're Here

GO Teams play a vital role in decision-making that impacts the school's direction, priorities, and overall success.

- Stakeholder engagement ensures that the decisions we make reflect the real needs and voices of the people our schools serve.
- We're stronger when we bring others into the work when we listen, learn, and co-create with families, students, staff, and community members.

Today our GO Team will: Brainstorm ways to involve our school's key stakeholders in our work.

Stakeholder Engagement Exercise

Here's the challenge:

We're going to look at four groups—Families, Students, Staff, and Community.

For each group, we'll ask and answer three questions:

- 1. INFORM What's a fun or unexpected way to keep them in the loop?
- 2. INPUT What's a meaningful way to get their ideas or feedback?
- **3. INVITE** How can we bring them into the *work*, not just the audience?

Let's get creative, specific, and push past the usual answers.

	FAMILIES	STUDENTS	STAFF	COMMUNITY
INFORM What's a fun, unexpected way to keep them in the loop?				
INPUT What's a meaningful way to gather their ideas or feedback?				
INVITE How can we bring them into the work, not just the audience?

APS Personal Electronic Device Policy

- Starting this school year (2025–2026), students will be asked to keep their phones "up and away" during the school day.
- Our <u>Personal Electronic Device policy</u> is a long-standing Board policy designed to support a focused, respectful, and distraction-free learning environment for everyone.
- Additionally, next school year (2026–2027), in line with a new state law (HB340), this will expand to include other personal devices like smartwatches, tablets, and headphones.

Personal Electronic Device Expectations Keeping Our Focus on Learning

At King Middle School, we want to make sure everyone can focus on learning without distractions. That's why we're using **cell phone pouches** during the school day. This helps us create a better learning environment for all students. It is important that you are focused on learning while at school.

Here's How the Cell Phone Pouch System Works:

- Getting Your Pouch: When you arrive at your homeroom each morning, your teacher will have a pouch ready for you.
- Phone Off and Inside: Please turn your cell phone completely OFF (not just on silent or airplane mode) and place it inside your assigned pouch.
- Teacher Locks It Up: Once your phone is safely inside, show your pouch to your teacher. The teachers will make sure it's securely locked.
- You Keep Your Pouch: After it's locked, you'll hold onto your pouch. You can put it in
 your backpack or locker. Remember, your pouch should stay closed and locked
 throughout the entire school day, including during lunch and transitions.

What Happens If a Phone Isn't in the Pouch or Is Accessed?

It's really important for everyone to follow these rules so we can have a consistent and fair system. Here's what will happen if a student doesn't put their phone in the pouch or tries to open it during school hours:

- First Time: You'll get a verbal warning, and you'll need to put your phone in the locked pouch right away.
- Second Time: Your phone will be taken by school staff. A parent or guardian will need
 to come to the school for a meeting to get the phone back.
- Third Time: Your phone will be taken, and you won't be allowed to have a cell phone
 on school property for one whole semester (about half the school year). Your parents will
 be notified in writing, and they'll need to come to the school for a meeting to get the
 phone back.
- Fourth (or More) Times: Your phone will be taken, and you won't be allowed to have
 a cell phone on school property for one entire calendar year. Your parents will be notified
 in writing, and they'll need to come to the school for a meeting to get the phone back.

Getting Your Phone Back at the End of the Day:

- Daily Unlock: At the end of each school day, staff members will be in the middle of each Learning Community (LC) to help unlock your pouches. You'll go to them to get your phone.
- Leaving Early? If you need to leave school early for an approved reason, please go to
 the Main Office. The staff there will help you unlock your pouch. Your teacher will not
 unlock your pouch if you're leaving early.

Important Things to Remember:

- All Personal Electronic Devices (PED) are prohibited throughout the school day. This
 includes, but is not limited to, cell phones, tablets, laptops, and personal digital
 assistants, as well as devices like smartwatches, Airpods, and MP3 players. Essentially,
 any device that can be used for communication, data storage, or entertainment during
 the school day is considered a PED. These items can also be confiscated by school staff.
- Following these rules consistently helps make sure it's fair for everyone.
- Emergencies: If there's an emergency during the school day and a parent needs to
 reach a student, please contact the Main Office directly. The school staff will make
 sure the message gets to the student. If a student needs to contact a parent for any reason
 please come to the main office with a pass from your teacher.
- Questions? If you or your child have any questions about these cell phone procedures, please don't hesitate to reach out to your child's grade level administrator.

We value your cooperation in helping us maintain a focused and productive learning environment, we appreciate you for being **principled** and **self-managed** through the school day.
