## IV. Discussion Items *(add items as needed)*

- a. **Budget Development Presentation:** The FY 25 proposed budget was shared and discussed in a PowerPoint presentation. See attachment.
- b. **Discussion Item 2:** [KMSBudgetFeedbackMeetingPP.pdf](#)  
The team briefly discussed and rationalized the best option for position changes to support the strategic plan for FY 25. The team agreed that option B **(to create a Restorative Practice Coach and remove the Behavioral Specialist, create a Turnaround Master Teacher Leader for 8<sup>th</sup> grade Science & Math and remove an Instructional Coach, and create a Turnaround Master Teacher Leader for Special Education and remove an Instructional Coach)** would best way to instructionally support SWD and the entire school population. This option was also better aligned with supporting the school since were recently added to the ATSI (Additional Target Support Improvement) list.
