Community Member	Dr. Maxine Cain	Present
Community Member	Dr. Brandon Morgan	Absent
Swing Seat	Kalisha George	Parent
Student (High Schools)		

Guests Present: No guests present.

II. Discussion Items (Math Curricular Resources)

- a. **Discussion Item 1:** During Principal’s meeting Math DATA was discussed to find out next steps to improve scores across the district. The data shared in the meeting is posted on the King GO Team website. Three options were provided and discussed, and individual schools were to decide the option best for their school. Listed below are the options:

- Option 1: Continue with Amplify as a Resource**
- Option 2: GaDoe Units & Lessons**
- Option 3: Amplify/GaDoe Units & Lessons (Combination)**

The Principal, Math Instructional Coach and Math Instructional team met to discuss best practices and strategies to support Students with Disabilities, ELLs, Black students and the entire student population to close the mathematics achievement gap at King. GO Team members wanted to know how they could support King if Option two or three were selected. Principal Gibbs requested patience and time. She will provide a list of items at another time if needed if

additional needs are determined. The GO team decided that Option 3: Amplify/GaDoe Units & Lessons (Combination) would serve as the best framework for King Middle School.

III. Announcements

October 23, 2023 – November 17, 2023- It's that time of year to kick off Reading across the school "One School One Book", this year's graphic novel is a "Class Act" by Jerry Craft. We will have weekly Chat & Chew's with the Principal, different prizes for classes and students to win!

February 2024- Novel of the month "Brown Girl Dreaming" by Jacqueline Woodson. This book was chosen by our very own Prowler Pack Kids

October 27, 2023- Gabbing with Gibbs Chat at 3:00pm in the Media Center
