f. **Review, Confirm/Update, and Adopt GO Team Norms**

Team agreed to keep same GO Team Norms from previous school year.

**IV. Discussion Items**

a. **Strategic Plan**

King Middle School has been approved for authorization for the International Baccalaureate.

Individuals of leadership participated in a program to create the strategic plan for school year 2019-2020. The team had an opportunity to review data via PowerPoint of student data from previous school year during the Go Team meeting. A part of the plan is to move more students to proficiency from developing. Mr. Brown recommends addressing the needs of students with disabilities that is approximately 24.5% of the school population (about 200 students). This school year will consist of a subgroup of white students.

During Open House, the five year trend of data will be presented. Recess is now included in the students schedule. There is also a new lunch vendor and manager.

**b. Data Dig**

The data was presented via PowerPoint. Last year, there were gains: Reading/Language Arts, 8.2; Math 3.0; Science 6.8; Social Studies 4.9. Mr. Cartee suggest we review community data. Mr. Brown suggest we review perception data report.

**V. Information Items**

**a. Budget Update**

Originally, \$115,000 would be used for reserve per the district. The amount has been modified to \$57,000 for the 2019-2020 school year. We have earned \$30,000 for a connection teacher.

**b. Staffing/Scheduling Update**

Mr. Brown converted the business manager position to a teacher position. A connections teacher is being considered for chorus or a production/broadcasting class.

Recess is also embedded in the students' schedule. The logistics are continued to be accessed and improved where needed.

**c. Enrollment**

The original projected enrollment is 843 students. As of Friday, August 2, the projected enrollment was 875 students. Currently, the projected enrollment is 854.
