Needs Assessment

ACTIVITY

Needs Assessment

During this Needs Assessment, we will look at data from the Spring MAPS administration and identify 2-3 potential needs for the 2023-2024 school year.

This discussion will help school leadership as they begin developing the school's 2023-2024 Continuous Improvement Plan this summer.

Needs Assessment: Guiding Questions

- What does this data tell us?

- What good news is there to celebrate?

- Where are growth opportunities?

- What trends do we see in the data?
