## IV. Discussion Items

- Mr. Franklin from Transportation:** APS is working to fix the transportation issues. They are paying more, training drivers, and giving more hours. The future is not as bright as we want it to be but we are hoping for the best and working together.
- Dress Code:** Create a dress code committee review and update the current dress code.

## V. Information Items

- a. **Principal's Report** The school year is off to a great start. We were fully staffed, one teacher left but we have just hired the replacement. We are fully staffed again. We are looking to hire a new Spanish teacher because the data supports less students in Reading class. A new assistant principal will be assigned by the district.
- b. **Information Item 2 Milestone** data has taken a dip but the dip was not overly significant. We must focus on our subgroups. Personalized learning is a focus moving forward.
