BUDGET UPDATES

Principal Portee shared that Sylvan has received additional funding for FY19 budget. Funds will support Talent Management - retaining an energized and inspired team of employees and building capacity in staff with professional development to support instructional practices.

Funds will also allow for the hiring of a second Instructional Coach to support literacy within the school

Open Forum - Parent Comments - Ms. Stephanie Flowers

Concerns:

How can Sylvan get additional funding support to compete with Purpose Built and Kindezi? - unfair funding for Sylvan since the Jackson Cluster is receiving extra funds

Suggest that school should reach out to Redefine Atlanta group or seek partnerships/invite outsiders to view inside of school/Ms. Flowers is willing to

Announcements:

Dr. Ryans motioned to adjourn; Ms. Ginn-Siebie seconded. 5:45
