Benjamin E. Mays High School Strategic Plan: School Strategic Priorities

1. Increase Graduation Rate 1a. Utilizing APS graphs (Missing Credit report) to ensure student schedules are aligned to graduation requirements.

1b. Implemented Raider Minimester Night School to help students recover courses needed for graduation.

Options Discussed Night School -4 weeks of night school, transportation options uber/lift, school bus, MARTA bus passes, snack and /or dinner

Question about platform and maximum credit recovery. Will platform be Edgenuity? How many units can be recovered in a mini semester?

2. Increase percentage of students showing proficiency in Milestone Courses

2a. Facilitate observations and feedback from Focus Walks, Utilizing PLC data (formative, MAP, and benchmark) to design interventions

and differentiate instruction to meet the needs of all students

Creating a similar attraction model for high achievers such as Math and Science Academy, early college etc.

Implementing Summer Bridge program for incoming 9th graders

3. Strengthen the implementation of International Baccalaureate (Signature Program).

3a. Monthly IB Professional Development training for teachers to increase teacher capacity
3b. Work with IB Coordinator to obtain IB Authorization during December visit.

4. Implement a Whole-Child system of supports that integrates social-emotional learning, behavior, wellness, and comprehensive academic intervention plans.

4a. Leverage budget to include additional support staff, such as Restorative Practices Coach, Board Certified Behavior Analyst, Two School Social Workers, Two Graduation Coaches on Site Tutors and Transitional Coach to support individual students and groups.

4b. Utilize the Care Team to identify at risk students and provide wrap-around services
Individualized Support

How do we support families? Reducing Class sizes, Mentoring for Girls or Boys more extensive, Partnership Mentors to address repeated offenders, Using flexible learning tools

5. Utilize flexible learning tools, technology, integration, and targeted, instruction to personalize learning for all students

5a. Implementing invention block during the middle of the day "Raider Ramp Up" to address student remediation and acceleration needs. We are a Verizon School which gave our students computer built in Wi-Fi

Are student incentives possible to get real data
