Agenda Items and Actions

Strategic Plan

Under the Key Performance Measures

The GO Team members discussed ways to make some measurements more precise so that it could be determined if the goals set by the team were being reached.

Academic Programs: 1. Measure effectiveness of the tutoring program on a cohort of students with 80% attendance using grades, test scores, benchmarks and EOC testing.

Climate and Culture: 4. Increase communication with the community though various methods with a focus on the global school calendar.

The work session was adjourned at 6:20 p.m. by Arle Wilson-Dixon.
