Action Items

Discussion on the 2019 Budget and how the items were determined. Mr. Fowler was unable to find the additional funds mentioned in the January meeting. If the austerity funds become available, the GO Team has decided that instead of adding additional areas of funding, the additional funds will be added to the areas that are already designated in the budget.

The GO Team discussed, proposed and voted to add an additional \$2,000 added to the Climate and Culture line item to increase "Rewarding Students for positive behavior" to \$4,000.

Ms. Garnetta Penn moved that we accept the Budget as presented with the addition of the \$2,000 to the aforementioned note.

Marcia Jackson 2nd. The vote was unanimous.

Discussion Items

Dr. Morris- interested candidacy forms were due. She vetted a candidate to take her place on the Go Team- Mr. F. Murray Ford.

Ms. Jackson - blinds for the classroom doors was addressed in faculty meeting for safety purposes. Mr. Fowler will look into the blinds and if he can afford it, he will get them.

Beautification line item in the original building budget was never taken care of. The school should ask for this to be taken care of in the interest of safety and allocate some other resources. The legal team needs to take that avenue of a breach of contract- in the interest of safety. Fowler will reach out re: Safety concerns and terror concerns. Aikens will write notes as well.

The Go Team needs to make sure that going forward, they have the committees. A Go Team member needs to be assigned to those existing committees.

There were many discussions of safety in the building. Due to the shooting in Florida, these discussions were had. Principal Fowler met with teachers, all students, gave cell number to them so that they could share tips anonymously.

Principal's Report
