I. Action Items

- A. **Budget Review Session #2-** Dr. Young reviewed the components of the budget and the team reviewed each allocation in detail. The GO Team members discussed available funding after all current positions were funded, there would be no changes to personnel. With the limited projected increase in school enrollment (7 students) there was not enough funding to purchase a new position. The team discussed the reserve funding of over \$100,000, which is held until the leveling process concludes annually. If enrollment remained consistent with projections following the leveling process, reserve funding would be made

available to the school. The Go Team voted to use the reserve funding once available to hire an **Assistant Principal**. Chandra Gipson (GO TEAM District Rep) also provided additional details on our poverty allocation as described by office of federal programs.

A motion was made and seconded to adjourn.

II. Adjourned – 6:01p.m.
