I. Action Items

- A. **Review the Strategic Plan**- Dr. Young presented the finalized strategic plan with the addition of one goal, designed to activate during the 2022-2023 school year. The goal centered on a 3% growth at the proficiency and above level on the End of Course Tests. Dr. Young explained that this year would be a baseline year. The

reason for the addition of the goal was largely due to the school's TSI status and our Washington's composite score of 57.9%.
