School Strategic Planning Overview

Purpose

To cascade the district strategic plan to the school level, while grounding our focus in the school's Continuous Improvement Plan. This will **create alignment, reduce confusion, and simplify our efforts.**

Timeline

Our school's 2030 Strategic Goals and Objectives should be **updated, approved and ranked by January 2026.** Schools will focus on the strategies as part of FY27 Budget and Continuous Improvement Plan processes.

Revisiting the APS 2025-2030 Strategic Plan

A COMMUNITY OF BELIEVERS GETTING BACK TO BASICS

Our Strength is Our Team

Atlanta's students will have effective and engaged teachers, leaders, and staff.

- Increase concentration of highly-effective teachers and leaders
- Prioritize engagement and retention for staff
- Grow and promote strong teachers, leaders, and staff

Our Responsibility Is Shared

Atlanta's students will have supportive families, communities, and partners.

- Build meaningful partnerships
- Expand Atlanta Partners for Education (APFE) impact
- Increase access and engagement for families and communities

Our System Is Efficient & Effective

Atlanta's students will have the schools and resources they need to succeed.

- Maximize facility usage for the student and community good
- Leverage data to drive strategic financial investments
- Implement sustainability initiatives

We Are Strengthening Our Instructional Core

Atlanta's students will have high-quality instruction, materials, and targeted support.

- Implement high-quality, relevant, and engaging instructional materials and professional learning in all core content areas
- Target resources towards subgroups (e.g. exceptional education, English learners, economically-disadvantaged)
- Accelerate early learning

We Are Caring For Every Child

Atlanta's students will have trusted, supportive adults meeting their unique needs.

- Expand strategies that reduce chronic absenteeism and disproportionate discipline
- Implement systematic culture and climate strategies
- Increase student access to trusted and reliable adults (e.g. mentors, coaches, counselors)

We Are Sparking Student Curiosity

Atlanta's students will have access to explore and expand their passions and interests.

- Promote robust arts, athletics, world language, and enrichment offerings
- Expand access to high-interest and workforce-ready offerings (e.g. career programs and pathways, advanced coursework)
- Explore specialized and innovative school models (e.g. School of the Arts)

School Strategic Priorities

#1 Create a school culture and climate where students, educators, administrators, and parents are data-informed. Utilizing current and existing data to guide the development of systems that improve graduation rates and ensure students are college and career-ready by prioritizing student needs, including increased access to academic, behavioral, and social-emotional learning (SEL) resources with the flexibility to change if the data indicates the need for change.

#2 Improve and/or develop system that build a framework to bring together existing and new resources to support the mission of achieving and maintaining excellence and equity in literacy and numeracy for all students at Booker T Washington High School

#3 Leveraging Strategic Partners to ensure teacher capacity is expanded through a comprehensive learning continuum for all educators

#4 Continue to progress monitor Pathway Completion and utilize student-informed data to develop additional pathway options
#5 Create an environment focused on improving core academic subject performance through STEAM integration in all content areas at Booker T Washington HS

School Strategies

1A. Ensure each content implements the prescribed curriculum with fidelity through monitoring protocols
1B. Redesign systems of monitoring for Gradebooks & transcripts auditing
1C. Establish a meeting protocol to review cohort performance relative to course progression, course recovery, current grades, discipline and social emotional need.

2A. Ensure advanced student learning opportunities through expanded honors, AP, and content specific electives, and extended learning beyond the school offering.

3A. Provide sufficient time for teachers to collaboratively develop/revise STEM PBLs unit, develop/revise standards-based rubrics for PBLs, and to debrief and analyze student work after the execution of PBL units. Monitor that instructional strategies are being implemented with fidelity.

4A. Offer a continuum of intervention opportunities based on student trend data and academic history (support classes, intervention groups and extended learning opportunities)
4B. Offer alternative schedules to meet student learning and Socio-emotional needs (R.I.S.E Night School program, Sat. school, Reduced School Day, etc) to ensure students are given appropriate supports through extended opportunities, alternate schedules as needed to ensure high school diploma acquisition.

Guiding Questions:

Stop

- What current priorities/activities are not having the needed impact and should be stopped?
- Are there any priorities/activities that are no longer aligned with our mission, vision, goals or focus areas?

Notes:

- Think about what has been working; has been completed; or never started.
- If your goals for 2030 are bigger than what you have achieved so far, then what must you do differently going forward?

- After you have aligned your Objectives to the appropriate Focus Area, identify any new Objectives the school must start to address the goals in your plan 
- You should have 1-2 Objectives for each Focus Area.
- Use the APS 2025-2030 Strategic Plan (slide 7) and your school KPI sheet for ideas if you need to identify new Objectives.
- Focus on the “**Getting Back to Basics**” Focus Areas first (***Strengthening Our Instructional Core, Caring For Every Child, and Sparking Student Curiosity***)
- Make sure you have something in the “**Community of Believers**” Focus Areas that support your core work (***Strength is Our Team, Responsibility is Shared, System is Effective & Efficient***)

Guiding Questions: Are there any new “objectives” we must **START** to completely address our 2025-2030 Strategic Goals? Do we have 1-2 Objectives to support each Focus Area?
