- d. **Action Item 2: Strategic Plan:** Strategic Plan was reorganized based off priority
Updated Strategic Plan is as follows as of 12/13/22:

#1 - Utilize existing data to guide the development of systems designed to improve graduation rate with the flexibility to reallocate a percentage of resources if later data shows that there are a student population that requires more access to systems and programs to increase academic and behavioral performance and including SEL resources.

#2-Improve and/or develop systems that build a framework to bring together existing and new resources to support the mission of achieving and maintaining excellence and equity in literacy and numeracy for all students at Booker T Washington High School.

#3- Leverage strategic partners (to include Corporate, College and University Partners) to ensure a comprehensive professional learning continuum to build and strengthen teacher and staff capacity through robust pedagogical, content area professional development as well as core and non-core area coaching.

#4 Create a structure to monitor Pathway Progress and Progression that will promote an increase in graduation rates with a direct pathway to college and/or career for all students at Booker T Washington High School

#5 Create a school culture and climate that utilizes data to ensure resources are distributed to meet the needs of disproportionate or low access to systems or programs designed to increase academic/behavioral performance.

#6 Create an environment focused on improving core academic subject performance through STEAM integration in all content areas at Booker T Washington High School. Examples being: John Hopkins Center for Talented Youth Programs and Summer Programs, DELTA Flight Academy, 100 Scholars Robotics Alliance, Excel Summer Academy at Georgia Tech and IDEAL at Georgia State University.
