II. Discussion Items

- A. **FY21 Budget Update** Due to COVID-19, there have been cuts to operating budget for the 2020-21 school year (14% reduction in operating budget for school districts). This has impacted the following: (1) reserve budget for leveling classes, (2) technology and internet subscription fees, (3) transportation for field trips, (4) media services for replacement library books, (5) textbook replacements and updates, (6) reduction of stipends for teachers in leadership roles, (7) reduction of teacher substitute days (8) hourly clerk position. Dr. Gilliard asked how this would impact previously discussed initiatives. Ms. Washington stated that we would have to put a pause on several of the initiatives such as Karate and Japanese. In addition, we would have to go back to the initial model for reading support because she will no longer be able to afford the Reading Specialist position. As it relates to previous software programs, we were able to keep all previously purchased programs and software and students would be able to continue utilizing those programs through the summer and for the 20-21 school year; however, we were not able to add on any new software. Dr. Gilliard also wanted to know if we would continue to offer German the Vet Science Pathway. Mrs. Washington stated that we would be able to continue to offer German and that we were moving forward with the new pathway.
- B. **20-21 Staff Review**
- i. Ms. K. Garner (HS Science) has accepted a position at Drew Charter, Ms. Lee hourly front office clerk, Jasmine Bonds (Reading Specialist)
- C. Initiatives for community involvement in the GO Team
