Greetings Heritage & Humphries Faculty, Staff, Students & Parents!

I am delighted to be your School Social Worker and look forward to serving and supporting you this school year. I currently have over 19 years of experience with the APS District. I received my Bachelors of Social Work degree from Clark Atlanta University (1996) and my Masters of Social Work Degree from New York University (NYU), with a Clinical Concentration in 1998. I am a Licensed Clinical Social Worker who is passionate about children, education, holistic remedies, healthy relationships and helping others. When I was in school, my favorite subjects were Theatre/Dance, Spanish and Physiology. My favorite color is blue-green. I love adventures and I love peach cobbler! It is my pleasure to be a part of the Heritage and Humphries family!
