- A. Principal McBride gave the Go-Team an update on the first two days of school. Jackson currently has 683 students on campus. 657 k-5 students and 26 pre-kindergarten students. Our k-5 budget allotment from the district was based on 642 students. With our current enrollment, Principal McBride does not anticipate that we will gain or lose teachers based on our current enrollment. He explained that the funding per student was individualized based on multiple enrollment factors, specific to each student. Principal McBride and the PTA met with a security firm to solicit recommendations for safety and security improvements for our campus. Principal McBride encouraged Go-Team members to stay informed about PTA and Foundation initiatives. The majority of our stakeholders would benefit with our various school leaders being on the same page.
- B. The APS Go-Team Summit will be held on Saturday, September 22, 2018.
- C. Non-employee Go-Team members will undergo level 2 background checks, be issued APS building badges, and APS login/email address. More information to come from Go-Team Office.
