I am proud to serve as the Assistant Principal of Heritage Academy Elementary School. It is truly an honor to work with staff, parents, and community members to provide an exceptional learning environment that drives academic lifelong success for our scholars. I began my journey as an educator in Florida teaching 4<sup>th</sup> and 5<sup>th</sup> grade students. My unwavering passion to help provide children with the necessary tools to reach their greatest potential has led to me having more than 12 years of experience in education. During my time as an educator, I have had the honor of serving as a classroom teacher, PYP IB Coordinator, Math Specialist, and an Instructional Coach. Each role has afforded me the opportunity to advance the minds of our youth.

I am married and a mother of an amazing little boy. My greatest accomplishments are being an educator, a wife, and a mother. As the Assistant Principal of Heritage Academy, I will continue to focus on student achievement by cultivating an academically challenging learning environment that excites and engages scholars.

I am amazed by our students, families, and my colleagues. With the talented and dedicated scholars, staff, and families of Heritage Academy, I believe we can and will achieve excellence. I am truly excited about this school year and the great things to come for the Heritage Eagle Family!

Educationally,

Eunika Russell Ayers, M.A.
