March 24, 2020

Dear Parents,

The staff and I have been working diligently on our new change to distance learning. Technology will be distributed to all kindergarten students, as well as 3<sup>rd</sup> -5<sup>th</sup> grade students on Wednesday, March 25, 2020 (1<sup>st</sup> and 2<sup>nd</sup> graders already have their tablets). The times will be staggered by grade levels. See the flyer on the website. In order to make the distribution process a safe one, we ask that you stay in your cars and pick up the technology in the same manner as our daily dismissal process.

Each day teachers and staff are making calls to check on students and support them while we are learning away from school. Class dojo is also being utilized to make daily connections. If you have changed your number or need to connect to Class Dojo, please email Mrs. Todd-Johnson at [cxjohnson@atlanta.k12.ga.us](mailto:cxjohnson@atlanta.k12.ga.us).

Students should be working daily on their packets. If we are still away from school during week 3, we will begin working totally through digital learning. The district has worked with several internet providers to offer internet and hot spots free to families. Check the website for the information. In addition the following resources are located on Humphries' website:

- Meal Distribution Locations/Bus Deliver Schedules
- Learning Packets/ Instructional Resources
- Tutorial Information
- Community Resources

In closing, the superintendent will host an APS District Town Hall on Facebook Live, this Thursday, March 26 at 4 p.m. She will answer questions and hear feedback about teleschooling and teleworking. Please join the conversation on Facebook ([@AtlantaPublicSchools](https://www.facebook.com/AtlantaPublicSchools)) for a virtual discussion. It's a great way to stay connected.

While we are practicing social distancing, please know we are just an email away.

Sincerely,

*Melanie Mitchell*
