Walker Permission Form for Older Sibling (3-5) to walk Younger Sibling (K-2)

July 29, 2024

Morningside Elementary School has revised the walker policy to allow students in grades 3-5 to be released to walk home without a parent being present. Students in grades 3-5 will be released from the stairs at the front of the building on E. Rock Springs Rd. (next to the auditorium entrance). If students in grades 3-5 have siblings in grades K-2, they will be allowed to pick up their younger siblings with their parents permission to walk home together without a parent present.

Please sign, date and return this form to your older student's homeroom teacher (grades 3-5) if you are granting your children permission to walk home together without you being present.
