

Art Club Session #3 Before Winter Break

Greetings Dear Parents of MES,

We are pleased to offer the THIRD session of afterschool art club starting NOVEMBER 13th 2019. **We will end at 4:00 P.M.** The theme/medium will again be watercolor and other media. This session will be for five (5) Wednesdays (November 13th – December 18th). See dates and times below. Cut out the dates below and attach it somewhere like your refrigerator as a reminder.

Students are to work hard, use *quiet* restaurant voices, and be happy and well behaved just as they are required to during the regular school day. No monetary charge is requested or required for this MES Campbell/Glorvigen art club program, just smiles and happiness. Sorry. No drink, No popcorn, just art. Certainly bring your own snack and drink if you so desire.

Please note when art club students are dismissed from their rooms at the end of the day they will go to room 115c inside the main building and wait quietly to be taken to the annex building. Once all art clubbers are present, they will be walked as a group the annex building where they will meet in both Mr. Glorvigen's room and Mrs. Campbell's room for art club. Room 115c is a short distance down the hall from the main office.

Cut out on the dotted line or next to the dotted line or perhaps, if you wish, cut the dotted line off and then post it somewhere (refrigerator) to remind you of the art club dates.

Art Club Session #3 Before Winter Break

Supplies/Materials/Equipment

1. Water Color Set and Brush

- ✓ A set of watercolor paints are needed. Prang brand watercolor paints are what we use in the art room and are good quality elementary watercolor paints. Please purchase whatever brand fits your budget.
- ✓ Although a set of watercolors may come with an adequate brush, another flat or round watercolor brush of a different size might prove helpful. Extra brushes are *optional* not required. If they have been in art club before they might already have brushes to use.
- ✓ Watercolor paper. Paper designed for watercolor paint is not required, yet your child will have the “total” watercolor experience using the thicker, watercolor paper. Watercolor paper is usually sold in a bound tablet pad/pack of 15-20 sheets. Once again, watercolor paper is not required.

2. Bring Your Own Snack

Sorry. No drink, No popcorn, **JUST ART.** We will not pass out popcorn and soft drinks as with previous art clubs. Bring your own snack if you so desire. A donated roll of paper towels *or* Clorox disinfecting wipes would be helpful to keep things tidy.

It's a joy to teach your children. If you have any questions or concerns please contact us. Thank you very much for your support of the Arts.

Sincerely,

Mr. Glorvigen & Mrs. Campbell
