School Priorities

1. Embed a data driven, multi-tier system of support to improve subgroup performance

SMART Goals

On the Spring STAR, increase sub-group proficiency & distinguished scores by at least 1% in 2nd – 5th grade for African-American & Hispanic students in math & reading

Barriers

Not having a system to track the data year over year individually to use in improving student performance

School Strategies

1. Build a comprehensive assessment program
2. Analyze sub-group tier performance and instructional activities.
3. Design individual plans as needed.

Strategic Impact

Closing of achievement gaps

2. Strengthen our intervention program to include customized learning strategies not only for students below standard, but students on or above standard.

Increase the % of Proficient & Above on GMAS by 1% in grades 3-5 in each content area on the 2020 GMAS

Increase the number of students on or above the standard who are receiving customized learning strategies

Barriers

Scheduling consistent time
Identifying the baseline numbers of students receiving customized learning strategies.

School Strategies

1. Start to track the on and above level students who are receiving customized learning strategies
2. Pursue Gifted Certification for all teachers and staff
3. Identify the best practices that can be incorporated school wide to increase rigor

Strategic Impact

We are an inclusive and supportive place of learning for students below, on and above grade level.
