## Discussion Items

### I. Review the process for filling a vacancy

*Team members met to discuss the process for filling a vacant parent seat on the Go Team, with representatives from the APS Go Team office. Ms Sofianos shared the handbook section relating to vacancies from a resignation. The school principal makes a nomination to the vacant seat. The Go Team members vote whether to approve that nomination. The person who fills the vacant seat will serve the remainder of the term for that seat. The open parent seat is for the term of 2021 - 2023 (2021-2022 and 2022-2023 school years).*
