Fostering Academic Excellence for All  
Data  
Curriculum & Instruction  
Signature Program

1. Imbed a data-driven multi-tier system of support to improve individual as well as student group performance, focusing on both academic and social emotional learning outcomes.
2. Focus on eliminating academic achievement gaps among student groups, including African-American, Hispanic, and Special Education student groups.
3. Offer a rigorous and relevant curriculum for all students.

1. Triangulate all available twice per year to develop a classroom level plan for identified students in bottom quarter, as well as student groups historically impacted by achievement gaps
2. Use data (MAP, common assessments, Georgia Milestones, universal screeners) to strategically group students based on academic need.
3. Implement Teacher Created Common Assessments across all grades in Reading/ELA and Math. From those assessments, create a plan for remediation and acceleration among the grade level.
4. Differentiate lesson plans based on the above data.
5. Prioritize class size reduction in all K - 5 homeroom classes.
6. Offer tutorial and intervention sessions and programs during and after the school day.
7. Align curriculum within across grades, identifying focus standards and learning targets.
8. Integrate STEAM activities across all content and grades, using an interdisciplinary approach.

Building a Culture of Student Support  
Whole Child & Intervention  
Personalized Learning

4. Focus on individual student strengths and needs in terms of whole child, including social and emotional learning,
5. Strengthen our intervention and enrichment program.

1. Focus on sustaining and expanding successful initiatives, such as mentor programs, intervention, innovative EIP model, and staff support through Instructional Coaches.
2. Increase student strengths programming (Ambassadors, Helpers, Student Leadership, Competitions, Clubs)
3. Enhance in-school enrichment opportunities *and special area classes*, increasing accessibility for all students.
4. Explore programming for younger students that broadens opportunities for K - 3.
5. Involve teachers in the Whole Child Intervention Team when appropriate.
6. Provide support based on individual student needs, including tailored student schedules, personnel schedule restructuring, or volunteer contributions
7. Provide customized learning strategies not only for students below standard, but students on or above grade level.

Equipping & Empowering Leaders & Staff  
Strategic Staff Support  
Equitable Resource Allocation

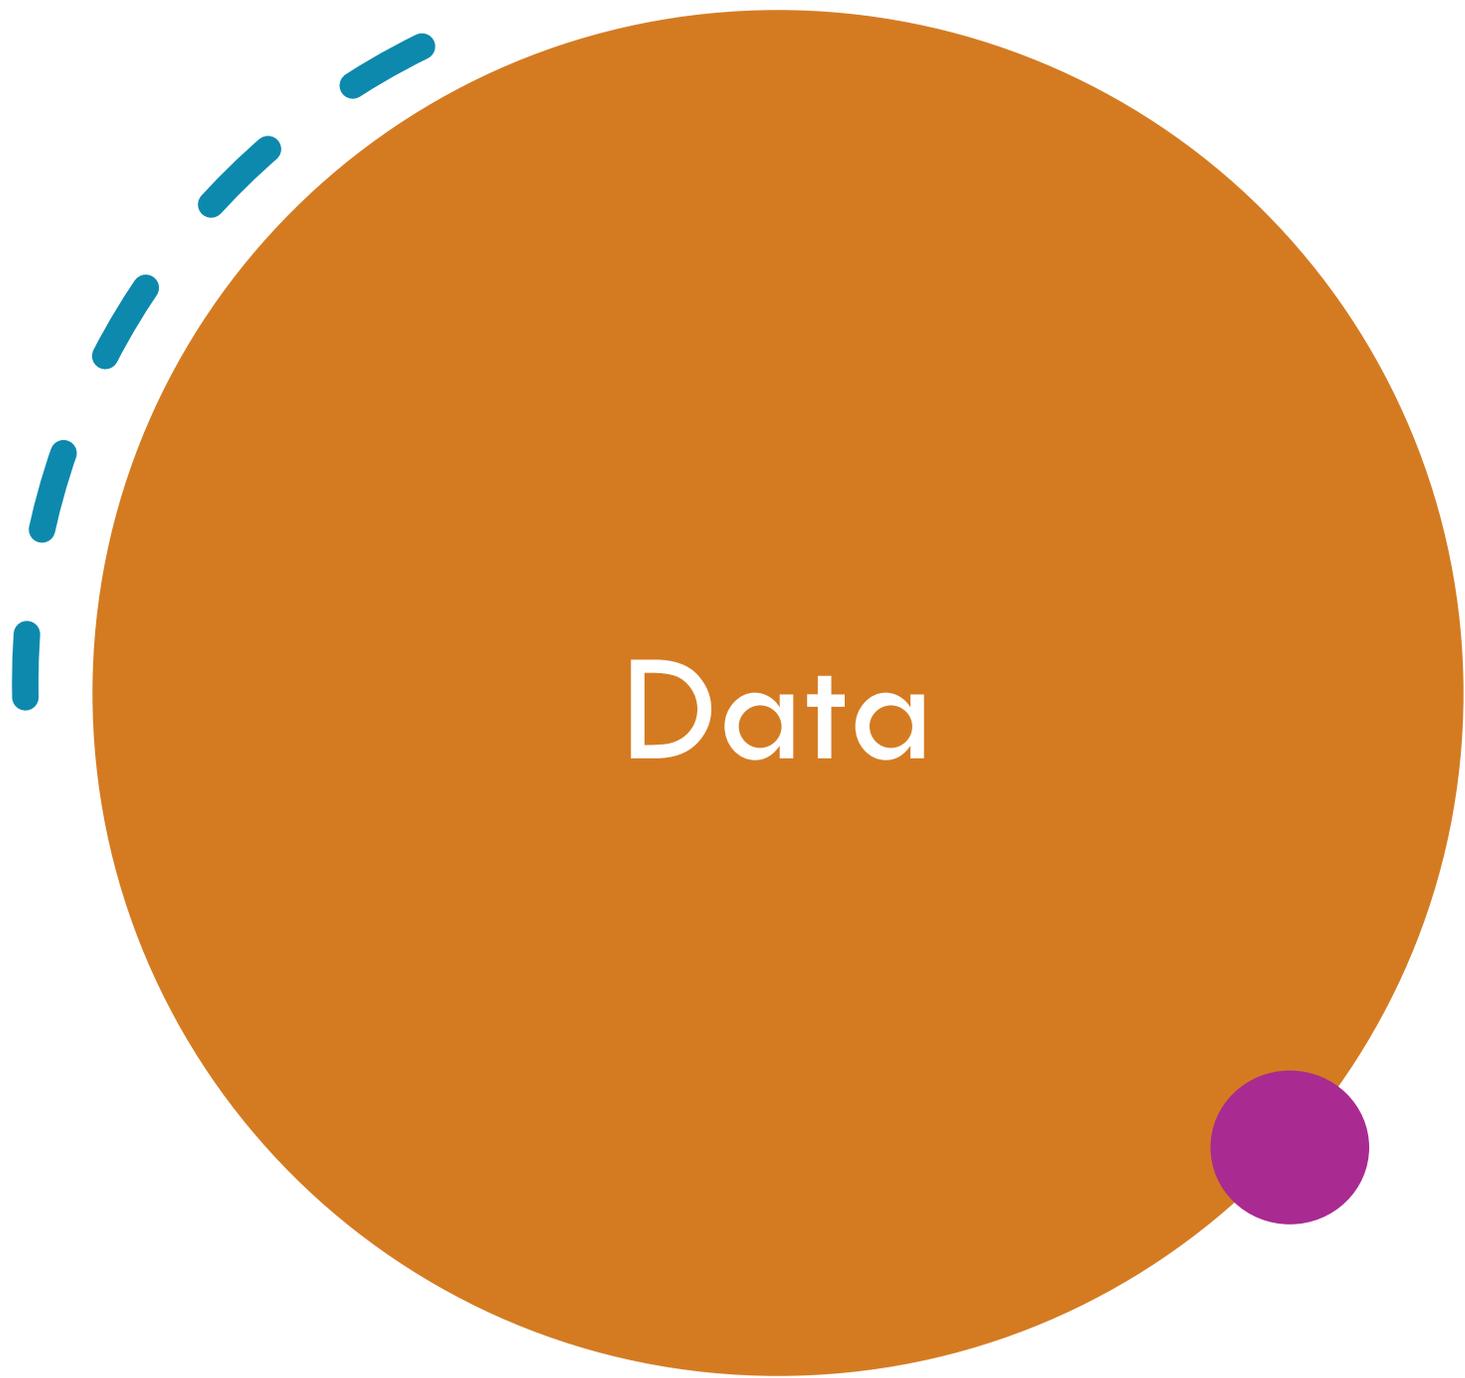

6. Build capacity of talented and knowledgeable staff to meet student needs.
7. Create an environment that motivates and retains staff members, builds teacher leadership, and focuses on teacher well-being and school safety.

1. Continue STEAM Training and professional development as we pursue certification as a STEM school.
2. Build school-wide staff proficiency with culturally responsive teaching and additional equity training.
3. Monitor and expand ways of increasing employee engagement, empowerment, and staff leadership opportunities.

1. Implement activities both at class level and school-wide that reflect all students' backgrounds and experiences.
2. Strengthen mentoring pilot program and expand to volunteers.
3. Increase parent voice by creating a partnership between the MES Family Engagement Leadership Team, Parent Liaison and the GO Team Family Engagement Committee.
4. Increase parent voice by strengthening the GO Team Family Engagement Committee, i.e. multiple parent input opportunities.

**GO TEAM DISCUSSION:** Review the priorities and goals in your **strategic plan** and the information and goals **CIP**. Reflect on if updates need to be made to the Strategic Plan.

Are all CIP Goals reflected in our Strategic Plan Priorities?

If not, which CIP Goal(s) are missing and should be added to the Strategic Plan?

# GO Team Activity & Discussion

# Updates to the Strategic Plan

# Where we're going

At our next meeting(s) we will discuss how our data is aligning to our strategic plan and determine if we need to make any adjustments.

Before the end of Fall Semester, we will take Action (vote) on any updates to our strategic plan and the ranking our strategic priorities for the 2024-2025 school year.

Let me or the Chair know of any additional information you need for our future discussion.

Thank you
