

MES Strategic Priorities

Wording update - January 2021

Working document

CURRENT:

1. Embed a data driven, multi-tier system of support to improve subgroup performance
2. Strengthen our intervention program to include customized learning strategies not only for students below standard, but students on or above standard.

RECAP OF TEAM DISCUSSION 1/5/21

- *Strong support for existing strategic priorities bt tweaking the wording in a way that will include the social / emotional priorities for students given the changes that have taken place over the last year*

Recommended Update

Embed a data driven, multi-tier system of support to improve subgroup performance, focusing on both academic and social emotional learning outcomes.

Other options

Embed a data driven, multi-tier system of support to improve subgroup performance, with additional focus on SEL alongside academic outcomes to meet the needs of the whole child.

Embed a data driven, multi-tier system of support to improve subgroup performance, with additional focus on SEL to meet the needs of the whole child.

Embed a data driven, multi-tier system of support to improve subgroup performance, focusing on both academic and social emotional learning outcomes to meet the needs of the whole child.
