PTA Exec Meeting Minutes

August 28, 2019

8:15 am

- I. Call-to-Order--President Emily Fink called the meeting to order at 9:15 am
- II. Review of minutes from the last PTA exec meeting on May 10, 2019
 - a. **Emily Fink seeks a motion to approve**
 - i. **Motion made by Jonna Kobylivker**
 - ii. **Motion seconded**
 - b. **Motion passes unanimously**
 - c. **Corrected minutes adopted**
- III. Emily Fink—President's updates. Things are off to a good start. Good feedback on both board and general PTA meetings. Kudos to all for content and presentations.
 - a. We have experienced a huge response to the volunteer portal on membership toolkit. Approximately 268 volunteers sign ups so far.
 - b. Angela Howard has raised \$27,000 from dolphin donors and parent patrons. The push for parent patrons begins in the digital dolphin tomorrow. Hoping for \$6,000 more through that effort.
 - c. Emily Fink reports for Treasurer Susan Mapen
 - i. Our bookkeeper has not been able to properly account for the square charges. We may end up switching bookkeepers or Susan may just take over as an important level of detail is being missed.
 - ii. Parliamentarian Amy Hartman notes that we should circulate the latest bank statements, review them in the room and initial as approved.
 1. **documents (attached) circulated, reviewed and initialed as indicated.**
 - d. Thanks for those who provided reports ahead of time
- IV. Vice President Reports
 - a. Katherine Collins--VP Enrichment
 - i. Volunteer response has been great, but in some areas, we may have already hit capacity. The area chairs don't know how to use all these people. For example, we have 30 volunteers for book fair.
 1. Should we consider a cap on how many per event? If we do that, what about new folks or folks who REALLY want to volunteer. Some won't actually show up/be able to volunteer when the date comes. Suggested

DRAFT VERSION

that area chairs email and ask for volunteers for planning committees and day of volunteers. we could close the volunteer portal for now and reopen for specific events as they approach.

2. **The group decides to close the Membership Toolkit portal for volunteering for all of enrichment activities after cross checking for how many people have volunteered for multiple events.** Some parents have signed up for multiple (as many as 12) positions. Katherine is aware that she can click on each person and see what they've signed up for. Jana thinks there may be a way to run a report and will confirm.
- ii. Family science night—steering committee met yesterday and is looking for ways to revamp based on feedback from previous years. General feedback is that a 6 pm start time is hard for families, especially without a food/meal option.
 1. As to the general format, the students choose activities ahead of time. Each child gets at least one of their 3 choices, but then they get assigned to less popular classes. How do we balance? Many of the best presenters charge and we have in the past said no as this is a free event. Budget went to signage and supplies, not payment to presenters.
 2. Committee recommends starting at 5 with one paid presenter for all students through 5:30 or 5:45. A break would be scheduled and food—pizza or a food truck to be paid by the families—would be made available. Breakouts would then start at 6.
 3. Questions
 - a. Could we then do just two sessions so it doesn't go so late?
 - i. Maybe—but we have so many volunteers we've tried to accommodate everyone.
 - ii. This is a question of quality vs quantity—look at previous feedback on particular presenters. Suggestion that we select only the most popular speakers and schedule them in larger rooms.
 - b. How many people attend each night? how many food trucks are we talking about?
 - i. we have an average attendance of about 300 per nights.
 - ii. probably 3-4 food trucks. we'd like to place them on the main drive and ask people to park underground.

DRAFT VERSION

- c. if we start at 5, can we invite the kids to will be at Morningside After School to the first, larger session?
 - i. yes, we can let them opt in to attend.
 - 4. The anticipated costs would be approximately \$500 per night. We didn't allocate budget for the speaker, but we don't need to remake signs for family science night so that money could go toward the cost of a speaker. We have discretionary funds remaining or they could also apply for a grant.
 - 5. a specific logo was designed for family science night, created in 2015, but includes an old MES logo. Unanimous that this is not the year to spend the money on new signs.
 - 6. **Group consensus to explore the new format and look for an appropriate paid presenter and food trucks.**
- b. Sally Carroll—VP Fundraising
 - i. Halloween Carnival—we have a lot of volunteers already. Putting chairs in place now and volunteers will be contacted closer to the event date (October 26).
 - 1. Decisions to be made as to food. The committee is hoping to bring in food trucks. A Morningside family did the bbq last year, so we are reaching out to them first. If they're not interested, we are going to bring in food trucks and sell that separately with the hope that they'll give us a cut of the food profits. Otherise, no real profit expected from food. King of Pops is coming and giving us 20%. The committee is also looking for a coffee cart and food trucks through the vendor.
 - ii. Boosterthon—our exact goal for this year is \$102,500 is the budgeted amount. That's what we raised last year. But that's net, which is how it has always been publicized. If we publicize gross, will add to confusion and will only encourage questions about cost. **Consensus to round up the goal to \$105k.**
 - 1. Question
 - a. can boosterthon provide a digital thermometer for the digital dolphin/website? Sally will check.
 - 2. Boosterthon prizes—Sally presented this year's proposed prizes. Discussion of eliminating or streamlining prizes, but **it was unanimous to keep the prizes as is. Kids like the prizes.**
 - 3. T shirt design for this year will be navy blue dri fit with stickers.
 - 4. What will Sofianos do if we meet the goal? Suggestions included a lip sync battle between her and boosterthon team, a dance off, or getting slimes by

PTA Morningside

School

the boosterthon team. **Principal Sofianos agrees to be slimed if we meet the schoolwide goal.**

5. Any other ideas for class level prizes? Crazy hair and popsicles for the overall winning class-- what about grade level?
6. Discussion of improving communication about what boosterthon is and how essential the funds we raise are to the PTA mission.
- iii. Spirit wear stock—spirit wear has been inventoried and can be ordered through the website. Sales began last night at the K Center back to school night.
- c. Joanna Kobylivker—VP SWAG. A full SWAG report will come later.
 - i. JR SWAG feeding leftovers from teacher appreciation launch to the chickens
 - ii. Compostable trays being used at k center--hoping to have permission to compost at main campus soon.
- d. Kerry Weinheimer--VP Operations
 - i. Debra Solomon is the new family volunteer coordinator.
 - ii. Room parents sign up underway.
 - iii. Chopt providing salads for teacher appreciation lunch today.
 - iv. Laminator had a service contract that had lapsed. Audrey says she thought the school bought it, but we had the service contract? Kerry will confirm with Brian Baron and Susan can search the expenses if confirmation is needed.
 - v. With confirmation of the new budget, she has reached out to special teachers for confirmation on the wish lists. Meeting with GATE to discuss technology sharing
- e. Jana Kovac--VP Communications
 - i. Debra is creating and managing all school wide sign ups. Chairs should get with her to create the forms and get them pushed school wide.
 - ii. Questions
 1. 5th grade team asked how they put things on the square store? They want to collect payment for 5th grade events.
 - a. Angela Howard is still running square. Need to transfer the responsibility for this. Amy believes this should be on exec because this person touches all the money. Sally says all the 5th grade and Halloween items are in the background—just need to make it live.
 2. Website—who is the back up when Brian Baron is out?
 - a. Audrey Sofianos is his backup.
 - b. We need items updated on the website in real time when he is out, such as JR SWAG form and the updated boosterthon goal.

- c. Jana will create urgent and non-urgent lists for his return and then talk to him long term. Audrey says get me this list by Friday and she will communicate with him.
 - f. Additional points from President Emily Fink
 - i. Calendar for the remainder of the year. We need a master calendar. Email dates to Emily. She will compile the master calendar and make corrections. This is an internal item, but to be shared with Brian. as you put your needs together, please Indicate the request or if it has already been confirmed with Brian.
 - ii. Room parents—5th grade is low. K is full. Everyone else is on track. Parents will be reminded at back to school.
 - iii. Monthly reports—Secretary Matt Fox will email ahead of meetings a request for reports. These written reports become a part of the minutes of Executive Meetings.
- V. Audrey Sofianos--Questions from the Administration
 - a. american heart association—jump rope for hearts.
 - i. MES used to participate, but became competitive with boosterthon. They are flexible as to timing. Heart month is in February. But it is a fundraiser for them, not for us.
 - ii. **Group consensus was that we should consider this is non-auction years.**
 - b. operation kid safe. allows parents to register children with a photo and fingerprint. Private company holds the data with a hard copy to the parent. they are asking for a table at back to school night. Consensus is that this organization would need to be a dolphin donor to get a table at back to school night.
 - c. Does any organization wanting to have a table at back to school have to be a dolphin donor? what about Boy Scouts/Girl Scouts that want to recruit from our student base?
 - i. **Group consensus is that yes, they all have to pay, but that we need to have a larger discussion on this topic before next year, potentially adding a not for profit alternative for those organizations.**
- VI. Final Points from President Emily Fink
 - a. Back to School Night
 - i. We will have a table to join and to become a parent patron. Angela Howard has this organized.
 - ii. We will also have spirit wear for sale. Need help for spirit wear table/sales. No presales but new spirit wear will be on the website next month. We are going to redesign and add new items, but after boosterthon.

b. Foundation

- i. Emily Fink introduces Caroline Wainwright, our new foundation rep. Emily is our rep on the foundation and Audrey Sofianos attends both.
- ii. Foundation approved everything we asked for partnering on—all technology purchases.
- iii. We did not send PTA reps around at the K center back to school night, but the foundation did. The handout they provide only speaks about the foundation. Doesn't even mention us.
- iv. Foundation is cognisant of boosterthon—doesn't want to get in our way.

Treasurer Report

I am so sorry to miss the exec meeting on Wednesday but wanted to go ahead and send some info to you all. First of all I have moved \$100K from our checking account to our savings account. I did this as we have formally decided to keep a substantial amount of savings for at least a year until we know more about the moving costs ahead. As a result of moving the money we should earn a decent return on interest!

I am attaching the following:

- 1) Bank statements as of July 31, 2019
- 2) Our approved (yay!) budget, just so you have a formal copy
- 3) Check detail as of today - this just shows you all the checks I have cut since our year began on 7/1/19

Next meeting I will bring detailed financial reports for you. I'm unfortunately not able to provide a report today as I am working through some kinks with our bookkeeper. The check detail attached shows you everything we have spent thus far. As for incoming money, we have raised a ton thanks to Angela and her hard work on the Dolphin Donors. I am showing we raised \$27K in Dolphin Donors (note this is before deducting square fees). We've also had a lot of money come in for PTA memberships. Just FYI, we collect \$10/person but then I will be sending \$3.75/person to GA PTA so we only keep the net.

Book Fair

- DATES: January 27 - February 1

- We are switching vendors this year and will be using **Follett**. This is Mr. Rawls pick as he has heard great things from other Media Center Specialists regarding Follett fairs and wants to see if they are a good fit for our school. Other reasons for the switch include:

*Follett already supplies all of our library books.

*We will earn more credit for teacher books.

*Lower price point will allow more kids to purchase books.

*Easier inventory replenishment means books that we are selling out of will automatically ship overnight to keep stock up

- Follett will also be doing a separate fair for the K center will books appropriate for k-2 so that the Kindergarteners do not have to be bused to shop and again to buy. The K-center fair worked great last year.

- Book Fair Committee meeting will be scheduled for end of September to kick off planning- we already have nearly 30 Volunteers for Book Fair on membership toolkit!

Family Science Night

- DATES: Grades K-2: February 11, Grades 3-5: February 13

Visiting Artists & Authors

Confirmed authors thus far:

1) Laurel Snyder: September 19 @Media Center

*This is a FREE visit (Thank you Little Shop!) with award-winning author Laurel Snyder offered to the 4th and 5th graders. She is touring for her latest book, *My Jasper June*, which is available to MES students for pre-purchase. MES will get 20% back on all book sales. Laurel will sign books after her discussion with the students.

2) Eric Litwin (Pete the Cat): November 7 @MES Auditorium

*ALL grades will attend Eric's performances (K&1, 2&3, and 4&5) and he will sign books afterward for anyone that wishes to purchase books (hopefully through LSOS, again MES will get 20% back on sales).

Grants

- DATES: Grant applications are due 10/10.
- Currently working with Heidi on creative ways to promote grants with the teachers, staff, & students.
- African Drum & Dance Update: Kat and Melanie Relyea are working on getting additional schools to commit so that we can determine if it is feasible for MES this year. Please let me know if any of you have connections with other schools or music programs in ATL!

Chess Club

- After our August board meeting, Caroline Wainright expressed interest in getting the MES Chess club organized for this year. She is reaching out to Christopher Chan (who ran the club for the past few years) for details and questions.

Here is an update for Fundraising:

Spirit Wear

- Genine Shafer (Chair) is in place and getting up to speed on how it all works
- We've done a full stocktake and Square has been updated with the correct inventory numbers
- We've also loaded some old stock back on to Square so that we can sell down all the old stock we have in preparation for new designs this year
- Back to School nights (both K and Main Campus) – will be selling both nights and we're hoping that this will also help us clear the old stock
- We've been working with Angela and our current supplier to get images of all current Spirit Wear up onto the website so parents can see what they're buying – this will always happen moving forward
- Genine now has access to Square sales reports so she can check sales weekly and have all items delivered to classrooms every Friday. This takes the pressure off Angela to produce reports every week for us and Genine can resolve queries herself.
- Following the Back-to-School nights we will begin the process of designing some new Spirit Wear and sourcing a new supplier. Lorrie Thomas Ross has kindly agreed to work with Genine on some designs and we will seek quotations from a couple of suppliers (including Booster who now have a Spirit Wear business)
- Any suggestions on what items we could add are welcome!
- We've added a volunteer section to Membership Toolkit to capture volunteers to help us sell SW at school events

Boosterthon

- Planning is on track for the event – Boosterthon are operationally impressive and easy to work with
- Communications to the school community will begin on Thursday 29th August with a 'save the date' in the Digital Dolphin
- I've aligned our communication plan with Jana and we will roll this through until the end of the event
- T-shirts – I'm awaiting the final mock-up of the t-shirt for this year – if I receive it before our meeting tomorrow I'll send it out to everyone for a sneak peek
- PRIZES...please review the attached document from Boosterthon – this is their first cut of prize suggestions – let's discuss this in the meeting/what do we want to cut?
- Other suggestions from Booster:
 - Incentives for reaching school goal:
 - Lip Sync Battle: Admin. Vs. Boosterthon Team
 - Check out this dance: [Team ATL Git Up Challenge](#)
 - Slime the Boosterthon Team
- To discuss in Exec Meeting - Ccarity on fundraising GOAL and how we communicate this
- Emily O'Brien will be our Volunteer Co-ordinator on the day of the event – a week ago we already had 20 volunteers registered in Membership Toolkit so we're in good shape on that front.

Dolphin Donors

- The total raised up until yesterday was \$27,750 (target was \$25K)
- Seven DD's will be present at Back to School night on Thursday advertising their businesses
- Angela is in the process of getting the new banner finished with the printer and it will be up shortly
- The push for Parent Patron/Dolphin Donors is now on – if you're speaking with anyone and they're interested, remind them that there are sponsorship levels that include tickets to Halloween and the Auction – this will be advertised in the DD this week

Halloween Carnival

- Matt Lee and Anneke Herman are up and running with the planning (Co-Chairs)
- We met with the Master Vendor last week on site and walked through the space planning for the day
- Most other vendors are now confirmed with the last being confirmed in the coming week

- We're in the process of identifying lead volunteer roles for all of the components that make up the Halloween Carnival (eg. Bake Sale, Prizes, Ticketing, Communications)
- Last week we had 15 volunteers signed up through Membership Toolkit and reaching out to them for the lead roles in the first instance
- Once the costs are firmed up a little more, I will reach back to the Exec team with a ticketing pricing proposal

Auction

- We're working on finding a Chair or Co-Chairs for this event
- I'm working on sourcing a venue and will update everyone once we have a short-list on this by mid September

Operations Report

August 27, 2019

Family Engagement Coordinator

Position filled! New Chair is Deborah Solomon- and she's already up and running, working with Room Parent Chairs last week and setting up all the Classroom signup sheets in Membership Toolkit for go live last Friday. Currently have 268 volunteers signed up through Membership Toolkit.

Media Center Coordinator

Mr. Rawls is currently reassessing how he utilizes volunteers in the Media Center since acquiring a new part time employee. Our Chair is holding to schedule volunteers until this time.

Teacher Appreciation

We have luncheons scheduled for K Center on Wednesday, Main Campus on Friday. Our Chairs are looking at providing new food options, in addition to what worked last year, and have negotiated a great rate with Chopt in Ansley Mall for this first luncheon. In order to provide an event each month, they're working on alternating lunches and breakfasts, with a breakfast scheduled for September.

Room Parent

Big push last week to get Classroom Volunteer signups live. We are asking teachers to announce during Back to School Night that positions are still open (8 spots per classroom).

Our current parent volunteers per grade look like this: K (42), 1st (26), 2nd (34), 3rd (19), 4th (14), 5th (7)

Hospitality

We've had 3 events since the beginning of school: Kleenex & Coffee, Coffee with the Principle at both K Center & Main Campus.

Large turn out on 1st day of school, we ran out of coffee + cups. Over 40 parents at K Center coffee. San Francisco Coffee donates all supplies, creamers and coffee for Coffee With the Principle throughout the year (@ both campuses). We need to recognize in some fashion their support- Tiffany Mercer (current chair) has her children's classrooms write Thank You notes.

Laminating

This committee has been up and running since before school supporting teachers during their pre-planning week.

Currently in the process of renewing laminator service contract with Georgia Binding (same as in the past). Unfortunately, the contract with Georgia Binding wasn't renewed last year and expired on 9/18/18 - we were not aware of this. We also thought it was still under warranty, but it is not. So when

we needed it serviced last week, we got charged \$250. Once we sign the service contract we won't get charged every time we need it fixed. Which ends up being 2-3 times a year usually. An order will need to go out for film supplies. Last year, only one film order sufficed; hoping that is still the case this year.

Parent U/Speakers

Emily and I are meeting with parent, Robin Deutch Edwards (K and 1st grade parent) after Labor Day to discuss conceptual ideas for Parent U going forward. The idea is to have something to roll out during 2nd semester so we can pull in the right people and message.

Branding for Inman

TBD. Will coordinate with Brian Baron/Jana going on message and collateral.

Scholarships

Money has been approved; next steps to strategize distribution/allotment of funds.

Transportation & Buses

Budget approved. APS sends invoice at year end for transportation costs.

School Instructional Expenses

All specials teachers have been notified that their 'Wish List' items have been approved.

PE has submitted their drum kit estimate: this is a purchase (not rented as previously assumed).

Workout videos are given to MES for 1st year, after 1st year, some videos available on YouTube.

Meeting with GATE on Wednesday to go over 21st Century Innovation and sharing of robots/iPads with Technology and other special education groups.

Communications Report

August 28, 2019

Directory / Membership Toolkit

436 families have confirmed their info in Membership Toolkit (most have two email addresses, so it is approximately 870 parent emails). Some classes have 18-20 parents registered, while other classes have 10-12. Will work with Room Parents (once identified) to help us reach out personally to families in their classroom who are not in directory and ask/show them how to do it.

Data cleanup ongoing

There are 359 "outdated contacts" in the database right now. This was data that was pulled over from MSA but the people have not logged in to confirm their info and assign a teacher for this year. Some of these are current parents who have just not done it yet. But there is also probably a fairly large amount of duplicate entries of families who have already confirmed their info and/or old families that moved away and are no longer at our school. I am working over next several weeks to look into each of these entries, confirm who is still a student at our school, and delete the outdated info.

Temporarily removed calendar from mobile app as there is a bug on Membership Toolkit's end (calendar works fine on web-based MT). Their next release should fix and I will put calendar back on mobile app.

Digital Dolphin

Going well with new Editor (Jen Denbo) - she has gotten up to speed quickly. Trying to keep content brief and drive to website for details but have had a few instances where it had to be longer than we'd like in the newsletter itself.

New Sections

Have added a new section for MES Volunteer Opportunities. This will be a permanent section and will highlight any volunteer roles that are hot for that week (always linking over the MT for volunteers to sign up). Jen can work with Deborah Solomon (Family Engagement Coordinator) each week to know what should be highlighted.

Would like to add a very short "From the Administrator's Desk" section at the top. This would be present when there is a new blog post from an Administrator (about once per month with rotations between Ms. Sofianos, Dr. Brookins, Mr. Baron, Mr. Lister, Ms. Leverette). Will work with Brian Baron to see if we can get this launched when he is back.

Social Media

Name for new single private FB group - MES Dolphin Community

Working over next few weeks to get page and graphics created, write page rules, figure out logistics for inviting, etc. Anticipate launch sometime in Sept.

Prospective Parent

We are working on a new parent folder to keep at the front desks at both campuses. These can be handed to new families who register after school has started to welcome/acclimate them to our school. We will reach out to Admin and Emily for input once we have a set of recommended content. Solidifying tour schedule for prospective parents. First one will be October 17 at main campus.

Yearbook

Have had good response to our call for volunteers - there is a group of parent volunteers with representatives from each grade ready to help. Jennifer Richman is really trying to create a strong team and execute the yearbook a bit differently this year so it is not too much work on a few people. Great concept for yearbook design that will pay homage to our last year in this building before the renovation. Option to donate a yearbook this year. Info will be up on website next week and was available in last week's DD.

Grade Level Social Chairs

All grades had back to school socials with good turnouts. Many grades are setting up fall parent socials. 5G Chairs have started meeting on Haunted House with previous years' parents. They're in planning mode for the year's activities as well.

Items to add to Agenda

Square Store - Need to know who to direct 5G Chairs to when they need items added to the PTA square store (i.e. skate night tickets, basketball night tickets, etc).
Website - Need a process / back up for updating content when Brian Baron is out.
