

What is the Book Swap?

The Book Swap is an opportunity for Morningside students to donate gently used books and exchange them for new-to-them books in a school-wide Book Swap.

How Does the Book Swap Work?

Students are encouraged to donate gently used books on their Donation Day. Students will then browse the Book Swap on a Selection Day and take home as many books as they contributed (up to a maximum of 5 books). Every student will be able to choose at least one book.

When and where will it take place?

Kindergarten classes will donate books at the K Campus on **Friday, March 22**. Students should bring in their book donations on this day. Volunteers will also be available the morning of Monday, March 25 to accept books from students.

On **Thursday, March 28**, Kindergarten classes will go to the Main Campus to select their books in the Auditorium. Each class will have 20 - 30 minutes to browse and select books from the Book Swap.*

*Exact times for both drop off and selection on the days above will be determined by teachers and administrators. Note: A separate flyer has been sent to families with students in Grades 1 - 5.

Book Criteria

- Students are encouraged to bring in as many books as they would like, and should try to donate books that they think their friends might like to read.
- Please send in gently used books (please check for stains or missing pages).
- We often have a shortage of higher-level reading books for grades 3-5. Please consider sending in additional books for these grade levels if you are able.
- Please do not send in library books, board books, coloring books, activity books or sticker books.
