

School-Parent Compact  
Humphries Elementary School  
2022-2023  
Revision Date: May, 2022

Dear Parent/Guardian,

Humphries Elementary School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff and the students will share the responsibility for improved student academic achievement. It also describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

Please review the attached school-parent compact. Please sign and date below to acknowledge that you have received, read and agree to this School-Parent Compact. Once signed, please return this cover sheet form to your child's teacher and keep the School-Parent Compact as a reminder of your commitment. The school-parent compact will be discussed with you throughout the year at different school-family events as we work together to help your child succeed in school. The School-Parent Compact may be used in the following ways:

**Students** - Use weekly and monthly when they receive their progress reports, report cards and assessments to measure goals for student achievement designed by the school.

**Parents** - Review weekly progress report data to school and District goals; measure success based on support and strategies for success laid out in the school wide plan; refer to the School-Parent Compact in parent teacher conferences, parent meetings, etc.

**Teachers and Staff**- Review weekly progress report data to school and District goals to students and parents; measure success based on support and strategies for success listed in the school wide plan; refer to the School Parent Compact in parent teacher conferences, parent meetings, etc.; ensure student success in lessons by referring to student responsibilities; post to school's website for access by families; provide to parents and guardians through the school's list serve. Multiple ways of communication to parents to keep parents informed of their students' progress will be made via Parent Portal, Class Dojo, weekly progress sheets, Robo calls, school website, flyers, marquee, and email.

**Parent Liaisons** - Make the School-Parent Compact available in the Main Office, Media Center and Parent Center; at all academic workshops, programs and events; on parent teacher conference days and provide information on the usage of the School-Parent Compact during faculty/staff trainings and meetings. Parents are invited every last Thursday of the month to Parent Day for volunteer opportunities and academic workshops.
