

EAGLE NEWS

FROM PRINCIPAL CHRISTIAN

BARACK AND MICHELLE OBAMA ACADEMY

Week of February 6, 2023

Greetings Eagle Nation!

Welcome to another edition of Eagle News! As always, there are lots of exciting things happening in Eagle Nation. Check out this week's updates and reminders below:

- Our school day ends at 2:45 pm each day. Our teachers are actively teaching and our scholars are learning until the very last bell of the day. While we know that emergencies may occur, we ask that all early dismissals be completed prior to 2:15 pm. Parents arriving after this time will be asked to wait in the carpool lane until regular dismissal.
- To ensure the safe dismissal of all of our scholars, we now use an online system called **Silent Dismissal**. Every scholar at BaMO has been assigned a dismissal number and is listed according to how they are dismissed in our system. If you need to make a change to how your scholar is getting home, please send a note detailing that change to school in advance. If there is a day of or an emergency change, we ask that you contact the main office prior to 2:00 pm.
- The **Atlanta Public Schools' Pre K Lottery** is now open and accepting applications. If you have scholars who will be 4, on or before, September 1st please sign up. Remember that our Pre K classroom is based upon a lottery system and slots are assigned based upon the lottery. The window closes on **March 12th @11:59 pm**. Don't miss out!
- **College and Career Readiness Week and Random Acts of Kindness Week** is **February, 13-17, 2023**. Our Student Support Team has planned a week of fun activities geared towards ensuring that our scholars are college and career ready. Please take a look at the flyer in this week's Courier and encourage your scholar to dress up and participate.
- Please make plans to join us on **Tuesday, February 14, 2023** @ 10:30 am for our Annual "I Love Math Day" Celebration. I Love Math Day is an opportunity for you to come out and join your scholar as he/she engages in a fun day of learning about all things Math. This event is free and slots fill up fast. The deadline to RSVP is **Friday, February 10th**. Lunch will be served. We hope to see you there!

Please take a moment to review this week's Courier so that you are aware of what is coming up. Remember that you can scan the QR Code below to view the electronic version of the weekly courier.

In Service for Scholars,
Principal Christian
