

Summer EAGLE NEWS

FROM PRINCIPAL CHRISTIAN

June 2022

Summer Greetings BaMO Nation!

We did it! We successfully completed our first full year back in our newly renovated building. Even though we have been together in many ways over these last two years, there is just no place like home. We may have opened a little differently; but, it was exciting to close out the year in typical BaMO fashion. Whether you attended our Black History program, marched in our MAP Celebration parade, showed up for Field Day or attended one of our fabulous Awards Day celebrations, you have always been an integral part of what makes BaMO GREAT! Now our staff is eagerly planning for the 2022-2023 school year and we cannot wait for you to see what we have in store.

As always, Summer in Eagle Nation is jammed pack with innovative opportunities for our scholars to continue to grow academically and show social, emotional development while having fun. We are extremely pleased that so many of our scholars are taking advantage of the summer programming. Whether your scholar is on the BaMO campus for the Academic Recovery Academy (summer school) or Freedom School at Emmaus House, we know that when communities and schools come together, everyone wins! On behalf of the faculty and staff here at BaMO, we thank you for your unwavering support.

Inside this edition you will find lots of information that you will need in preparation for the upcoming school year. We cannot wait until August !!!!

In Service for Scholars and Staff,
Principal Christian, Ed. D.
