IV. Discussion Items *(add items as needed)*

- a. **2024 Spring MAPS results:** Principal Garner reviewed MAP Reading Data
 - Literacy will be one of those strategic initiatives
 - There was some growth with Math-Very proud of students, but there needs to be a decrease
 - This data only showed 9th grade data
- b. **BASC-3 results** Mays Opted out of the BASC Screener for 2nd Semester
We used data from 1st semester to provide supports for students
- c. **Needs Assessment**
Needs Assessment Guiding Questions:
Based off of the data

What does this data tell us?

- We need Literacy Interventions and math Interventions
- Increase critical thinking and rigor
- Need SEL Improvement -All programs should align (i.e. PBIS, IB, and SEL)

What good news is there to celebrate?

Assistant Principals have specialties for each content area which will help improve PLC's

What are growth opportunities?

We can push students to next band

All upcoming programs will target both math and reading, and we will get an increase

What trends do we see in the data?

- Data stayed stable
- Students are retaining information
- CTAE Pathways showed tremendous growth
- GO Team completed Needs Assessment
- Data-More Interventions based off MAP Scores-which will help with Math-a lot of reading in Math
- We need to move students in math
- Overall percentages-Reading is data doesn't show SWD date
