# REVIEW OF FY26 SIGNATURE AND TURNAROUND PROGRAM FUNDING PROCESS

## Overview

- \* The district is piloting a zero-based budgeting (ZBB) process for Signature and Turnaround Program Funds this year.
- \* Zero-based budgeting (ZBB) is a budgeting process that allocates funding based on program efficiency and necessity rather than budget history. As opposed to traditional budgeting, no item is automatically included in the next budget.
- \* As such the **initial** allocation for these programs at all schools will be \$0.

## Process

- \* Principals will develop proposed requests for the personnel and non-personnel they need to support the Signature and/or Turnaround Programs at their schools.
- \* Principals will share and discuss their proposals and rationale for the proposals with their school GO Team for feedback.
- \* After discussing with their GO Team, principals will submit their request for review by January 31st. Funding for these programs will be provided the week of February 3rd.

# QUESTIONS FOR THE GO TEAM TO CONSIDER AND DISCUSS

## Strategic Alignment and School-Level Flexibility

- ❖ Does this budget proposal, as a whole, effectively support our school's strategic priorities?
- ❖ How do the principal's proposed changes directly support priorities in our strategic plan? Can we clearly connect each adjustment to a strategic goal?
- ❖ If new positions, resources, or programs are being added, what data or feedback supports these changes? How will we measure their impact?
- ❖ What trade-offs are involved? Are any current programs or resources being adjusted or reduced, and how will that affect our students and staff?

# QUESTIONS FOR THE GO TEAM TO CONSIDER AND DISCUSS

## District and Cluster Priorities

- ❖ How do these proposed changes align with district and cluster priorities? Do we foresee any challenges or misalignments?
- ❖ If the district has allocated funds for specific initiatives – for example Signature Programs – how are those reflected in our budget?
- ❖ If we are sharing staff positions (e.g., nurse, counselor, teacher), how will this affect student support and service delivery at our school?
