C. Review events that recently took place
    i.   Academic Expo – December 11
        1. Very successful event
        2. This was our second Academic Expo

      a. During the first Academic Expo we had about 60 families that attended.

      b. During this Academic Expo we had approximately 55 families that attended.

3. The Expo setup

      a. During our first Academic Expo we had grade level present information from their content area.

      b. During this Academic Expo we highlighted the content area – we had each department together.

          i. This setup allowed parents to work through some of the math problems their scholars encounter daily.

          ii. This setup also allowed our parents to participate in science experiments and review some of our scholar's science fair projects:

              1. We had several scholars participate in the science fair

              2. We had scholars enter the science fair on the district's level.

      c. Entertainment from our enrichment department

          i. Dance

          ii. Band

          iii. Booth Setup for each enrichment class

              1. Attendees were able to review pictures and assignments completed in enrichment classes

              2. Attendees were allowed to play a game of chess with our scholars.

      d. We shared our academic progress with parents during the Academic Expo

ii. Dance Team - Price's Dance Team participated in our first parade on Saturday, December 14, 2024

iii. Robotic Team - Price's Robotic Team participated in a robotics competition on Saturday, December 14, 2023

iv. Price Newsletter

      1. Uploaded to our school's website each week for our parents and the community

      2. Our newsletter highlights weekly events regarding academics.

        a. Each newsletter will list the different content areas and what the scholars will be working on.

        b. This section of the newsletter is to encourage parents to provide their scholars with further assistance at home.

3. 12 days of holiday spirits, in our December 9 edition, is to inform parents, scholars and the community of what the staff will be wearing on specific days and to encourage scholar participation.

4. Most recent newsletter listed the winners from our Academic Expo raffle.

        a. Attendees that participated by answering trivia questions regarding our vision, mission, and goals entered a raffle.

        b. Our winners were: Mr. Cedric Snipes and Ms. Tiffany White
