Soccer Shots

**Soccer Shots** focuses on individual skill, fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Children will also be introduced to competition in a developmentally appropriate manner. Soccer Shots Classic utilizes creative and imaginative games to focus on basic soccer skills such as dribbling, passing and shooting. We also highlight a positive character trait each session such as respect, teamwork and appreciation. Register online: <https://www.soccershots.org>

 Music After School: Piano

Our mission is to help students develop a life-long love of music that will lead to technical proficiency and artistry. Whether a student grows up to be a professional musician or a music enthusiast, we understand that learning to play a musical instrument nurtures a child's development, creating a well-rounded person. Students will learn to read music, basic music theory and musicianship using traditional methods. Students will learn performance techniques to develop their comfort in front of an audience, strengthen their stage presence, and teach them concert etiquette. At the end of the session, the students will have the opportunity to perform in a recital. Online registration available for Pre-K and K Intro to Piano Workshop, Vocal Workshop, small group lessons, and individual lessons: [www.musicafterschoolatlanta.com/registration](http://www.musicafterschoolatlanta.com/registration)

Outdoor Explorers (Returning)

Join professional naturalists from Blue Heron Nature Preserve on exciting expeditions in your school yard! Children will embark on a different outdoor journey each week as we go bird-watching, make frog ponds, and gather rocks and leaves to create our own nature collections. Our instructors use children's ideas to create fun, outdoor-play experiences. When the weather doesn't cooperate, we provide indoor activities like exploring mammal furs and skulls- or dissecting owl pellets! Our program is always different, because our curriculum is inspired by children and nature! We welcome returning Outdoor Explorers for new adventures this school year.
