Reminders

Parents and Guardians, if you would like to conference with you child's teacher, please make an appointment with the teacher. During the hours of 7:45 to 2:30 conferences will occur during non-instructional times such as the teacher's planning period, during lunch, or before or after school. It is extremely important that we do not interrupt the learning environment.

All students are to be supervised at all times. Please do not drop your child off in front of the school before 7:30am. The students cannot enter the building until 7:30am. Thanks for your cooperation and helping to keep our students safe at all times.

Read a Book or TWO or THREE

Happy New YEAR! A child's reading skills are important to their success in school and work. In addition, reading can be a fun and imaginative activity for children, which opens doors to all kinds of new worlds for them. Reading and writing are important ways we use language to communicate.
