April 2019 "INQUIRERS"

The Learner Profile strives to build global citizens and life-long learners, challenging us all to be the best we can be in the home and school. As parents use this language and terminology in the home, it can be a powerful way of reinforcing these ten personal attributes.

Our Learner Profile Attribute for the month of April is **INQUIRER**. Inquirers develop their natural curiosity. They acquire the skills necessary to conduct inquiry and research and show independence in learning. They actively enjoy learning and this love of learning will be sustained throughout their lives.

The following students have been selected as our INQUIRERS for the month.
