Reminders

Parents and Guardians, if you would like to conference with you child's teacher, please make an appointment with the teacher. During the hours of 7:45 to 2:30 conferences will occur during non-instructional times such as the teacher's planning period, during lunch, or before or after school. It is extremely important that we do not interrupt the learning environment.

All students are to be supervised at all times. Please do not drop your child off in front of the school before 7:30am. The students cannot enter the building until 7:30am. Thanks for your cooperation and helping to keep our students safe at all times.

Join Us On "REMIND"

Connect with Parkside and Principal Foster. REMIND is an easy way to stay informed and be able to receive convenient text updates directly to your phone. This is convenient, easy, and very helpful with important school-wide information & updates.

The Learner Profile strives to build global citizens and life-long learners, challenging us all to be the best we can be in the home and school. As parents use this language and terminology in the home, it can be a powerful way of reinforcing these ten personal attributes.

Our Learner Profile Attribute for the month of December is **CARING**. Caring students show empathy, compassion and respect. They have a commitment to service, and act to make a positive difference in the lives of others and in the world around us.
