

Your child’s class placement and success throughout kindergarten are important to us. We spend much time creating our kindergarten classes. The first consideration for placement is what is right for each individual child. We also value parent input. If you wish to give additional information regarding your child, please complete this form. Note that requests for a specific teacher are not accepted because it discounts other important criteria and overall classroom composition. At Morningside, we have an incredibly skilled Kindergarten team and we know your child will have a spectacular year of learning and growing.

Please address to Dr. Brookins and mail to the Morningside K Center (999 Briarcliff Road, Atlanta, GA 30306) or drop off at the front desk at either campus by Friday, May 24, 2019. Must be postmarked by 05/24/2019 to be considered.

- Describe your child’s ideal teacher, environment and class size. Would your child do best in a smaller class size or a larger class size? There are pros and cons to both options! Smaller classes have fewer students but this means fewer opportunities to socialize with a variety of students within the classroom. Larger classes have a paraprofessional in the classroom all day. Smaller class sizes will not have full-time para support but will have some para support on a regular basis.**
- Tell us about your child! What motivates and/or discourages your child?**
- Describe an area in which your child “has room to grow” or requires support. Do you have any developmental, behavioral or academic concerns?**
- Is there anything specific you would like us to know about your family or your child?**
