Re: Invitation to Participate in the Sewa International AmeriCorps Atlanta Program Saturday Virtual Sessions

Dear Parents & Guardians,

I hope this message finds you well. As we continue to prioritize the academic success and personal growth of our scholars, I am excited to announce the launch of our Saturday Virtual Tutoring Sessions being offered from 9 am until 12:00 pm, in addition to the after school sessions offered Monday through Thursday from 4:30-6:30 pm. These sessions will take place each Saturday of the month and are designed to provide additional support to our students, helping them reinforce their understanding of key concepts and skills primarily in literacy and mathematics. We believe that consistent learning opportunities outside the traditional classroom setting can significantly enhance your child's educational experience.

To facilitate these sessions, scholars must possess an electronic device and access to WiFi. Please notate what your scholar has access to on the second page of this notice and return it to Ms. Taylor by Friday, February 28, 2025.

The virtual sessions can be accessed with the following information.
