Cascade Elementary School November 2020

Volume 4

IB Coordinator's Message

Hello Tiger Family! Our scholars are working hard to become **inquirers** and more **knowledgeable** throughout our IB Units. Remember to ask your child what he or she learned about each day.

We had such a great time at our Science and Social Studies Family Night centered around our IB Approaches to Learning Skills. Thank you to all who attended! Also, keep sharing your voice with the IB Connections projects. Kudos to all Tiger Scholars who created IB Flipgrid videos. Keep up the great work!!

Sincerely,
Dr. Proctor

Cascade Tigers ROAR with Pride!

We are...

- Respectful** - Caring, Open Minded Communicators
- Obedient** - Principled and Balanced
- Achievers** - Knowledgeable Inquirers and Risk Takers
- Responsible** - Thinkers Ready to Act, Reflect, and Change the World

Languages and IB

Language experiences allow our children to engage with the world around them. Exposure to languages sparks curiosity and builds confidence. At Cascade, students learn **Spanish** as our second language. We also have a **Debate Team** for members to strengthen **communication skills**. Now we need your help!

We want our school environment to reflect all the languages of our Cascade family.

Please send me an email to share any additional home languages of our students.

Thank you for helping our Tiger Scholars continue to grow as internationally minded citizens!

The Learner Profile

Attribute of the Month

Communicator

#SpeakWellListenWell

We express ourselves **confidently** and **creatively** in more than one **language** and in many ways.

We collaborate effectively, **listening** carefully to the perspectives of other individuals and groups.

Approaches to Learning Communication Skills

Reading with your child is a great way to build **communication** and **literacy** skills. Visit <https://childrenslibrarylady.com/communication-books/> for a list of books all related to the IB trait of the month.

Be sure to encourage your child to participate in APS' Race2Read Program by reading 20 minutes daily. Look for the Beanstack app on MyBackpack to record your reading. The passcode is race2read.

Tiger Scholars grow stronger when they practice their Communication and Literacy Skills. Can't wait to see who will lead the pack in the race!
