

Scheduling Timeline 21-22

We will begin scheduling earlier this year. Due to the change in start and end dates for terms and the change to the 4x4 schedule, we will start the course selection process in November and December. There will be two opportunities to request changes to course requests in January and February. We are aware that once we receive Term 3 grades, students may wish to be considered for advanced level classes.

Please understand that course requests are just that, requests. Many factors influence the creation of the master schedule. After all information is gathered, including staffing and class size, among other data, we are not always able to offer every course requested.

Date(s)	Action
Nov 13	Rising 9th parents Coffee Talk, 9 am
Nov 18	6:00 p.m. Rising 9th Grade Parent Scheduling Meeting
