IV. Discussion Item(s)

- a. **FY21 Budget Update:** Principal Stimpson provided an update on the FY 2021 budget via power point. The budget has been reduced from \$10,002,355 to \$9,153, 290 due to the current response to COVID 19 and anticipated decrease in allocations from funding sources. Principal Stimpson stated that because we planned ahead and had already made the decision to disband the 2-person team on 8th grade for the coming year, we were then able to “bank” 2 vacant positions. As a result, there is no impact that will really be felt at the school level due to this budget reduction. The difference in the budget is being taken from the 2% reserve, 1.8% reduction to Student Success funding (2 vacant positions).

V. Information Item(s)

Principal’s Report:

- a. The school received a grant of \$160, 000 from the CARES ACT (state) to purchase additional technology for the upcoming year to replace chrome books and chrome carts in response to anticipated technology shortages due to the COVID 19 2nd semester technology student distribution.
- b. Principal Stimpson also assured the team that the normal business and school preparation for the upcoming year continues in terms of hiring and completion of master schedules etc.

VI. Announcements:
