January at a Glance

We want to see all of our scholars back in school on January 7, 2025. As you can see from the image above, Cascade’s student attendance is an area that definitely needs improvement. We can only improve in attendance if we have the full support of the parents. We ask that you please do not delay the students’ return from the Winter Break so we can grow to even higher heights for this school year. We will celebrate the students that exceeded on their Winter MAP Assessment on January 9th by allowing those students to have fun on a Game Truck. The students are looking forward to Game Truck Day. They definitely earned this reward as a whole. On January 23, 2025, we will celebrate the achievements that our students made during the first semester. The awards program will be divided by grade bands. Please see the calendar of events for your scholar’s program time.

In Conclusion

It has been a great first semester. I look forward to sharing our first semester growth data with you in the next edition of the parent newsletter. For now, I

Cascade Elementary

“Growing from Good to Great!”

wish you a wonderful winter break. Enjoy the time with family and friends and let's do it all again in 2025.

Happy Holidays!!!!
