August 7, 2019

Dear Cascade Elementary School Parents:

I can't believe that it is that time again; time to embark on another incredible school year at Cascade Elementary School. The staff and I have been working so hard over the summer to prepare for the time at hand. In just a few days our doors will open with excitement and joy. We can't wait to see our little ones and hear all about their summer. As always, we appreciate you giving us the opportunity to serve you by educating your children.

Each new year brings a new beginning. I am excited about the changes that have taken place at Cascade Elementary School. We have a new addition to the team in the role of Assistant Principal, named Mr. Felix Ruffin. He will join Ms. McCloud and I as we take on the charge of growing Cascade from good to GREAT! In addition to Mr. Ruffin, you will see several new faces around the building. Each one bringing a very special talent, but all having the same mission and passion for students. Please welcome them the Cascade Way when you meet them.

We had an opportunity to see many of you when we canvassed the community to welcome you back to a new school year and look forward to seeing you during our Open House Event on August 9, 2019 from 9:00-11:00 AM. During this time, you will find out your child's homeroom assignment for the 2019-2020 school year and meet the teacher. We will have tables positioned in our lobby area that has important information such as transportation routes, after school program options, girl scouts, boy scouts, immunization information, and more. Please stop by each table to ensure that you have everything that you need to know about the school year.

I am excited about this school year. My team is excited about this year, and I know that we will deliver what we promise, which is making sure that your child leaves us in a better educational position that when they arrived. If you are not able to make it to Open House, you will have the same opportunities on the first day of school. Parents will also be allowed to escort their children to class for the first full week of school.

In closing, we look forward to serving you again this school year and we are thankful that you are partnering with us to ensure that we have a bright future for years to come. Please visit our school website for updates throughout the year.

Sincerely,

Tiffany Barron Momon, Principal
Cascade Elementary School
