March 2025

Look at our CCRPI Growth!! The score below is a 16-point increase from the previous school year!!! We are continuously growing from Good to GREAT!

March at a Glance

The madness of March is in the air. Our first week was filled with Read Across America Week events and ended with our Sneaker Ball on Friday, March 7th. We want to thank you for participating in the annual Sneaker Ball event. It is always an affair to remember for families. Over the course of the next couple of weeks, students and staff will be preparing for the end of the year MAP Assessment. The entire team has worked so hard to improve academics this year. We are confident that the student growth will be displayed in the assessment results. We will begin testing on Wednesday March 19th. We need all students in school on that day to take the Reading Growth Assessment. Please see the calendar of events for the assessment schedule. The testing coordinators will host a testing workshop to prepare parents of students in grades 3-5 for the GA Milestones Assessment that will be administered to all 3-5th grade students beginning the last week of April. We invite all parents to attend, and a hot dinner will be served. An additional flyer will be sent home pertaining to this parent meeting.

In Conclusion

We are winding down the school year, but we are still focused on high quality instruction. We appreciate the support that you provide and always enjoy your visits to the Tiger's Den. Please continue to support your scholars at home with instruction. Together we are making a difference.

Happy Spring,

Ms. Tiffany Momon, Principal
